Lear 25

AVAILABLE FOR CHARTERS

The popular Learjet 25 is the performance and flexibility leader in its class. It can operate with full seating for 8 passengers and maximum fuel capacity from runways shorter than 3,500 ft and an unsurpassed ability to climb to 43,000 ft in 20 minutes. It offers freedom from turbulence as well as airport and airspace congestion.

Flying faster than any aircraft in its class, the Learjet 25 routinely flies at 45,000 ft while offering the lowest operating cost per nautical mile of any transport category business jet.
